A Guide for Beginners and Experts | Learn How to Play

The first thing you need to know is how to control your character in the Subway Surfers game. You can use your keyboard or mouse to play the game on your PC or swipe your finger on your mobile device. Here are the basic controls:

Know the Controls

Collect Coins

and Keys

Coins are the main currency in Subway Surfers. You can use them to buy new characters, boards, power-ups, upgrades, and more. You can find coins on the tracks or

get them from mystery boxes, awards, word hunts, missions, etc.

Keys are another

important resource in Subway Surfers. You can use them to revive yourself after crashing, unlock special boards, or get extra rewards. You can get keys from mystery boxes, awards, word hunts, missions, etc.

You should try to collect as many coins and

keys as possible in every run. They will help you improve your performance and unlock more content in the game.

Use Your Hoverboard Wisely

useful items in the Subway Surfers game. They will protect you from crashing for a short time. You can activate them by pressing space or tapping on your screen. You can also choose different hoverboards with different designs and powers.

You should use

your hoverboard wisely in the game. Don't waste it on easy parts of the run. Save it for when you need it most, such as when there are too many obstacles or when you are close to beating your high score. And you should also try to collect more hoverboards by buying them with coins or keys in the shop or getting them from mystery boxes or awards. Having more hoverboards will give you more chances to survive and score higher.

your skills and reward you with coins, keys, hoverboards, characters, boards, etc. You can find them in the menu or on the tracks.

Missions are tasks that you have to

complete in a single run or over multiple runs. For example, collect 500 coins in one run or jump over 20 trains in total. Completing missions will increase your score multiplier and give you extra coins.

Awards are achievements that you have to unlock by
