Activision Publishing, Inc. is an American video game publisher based in Santa Monica, California. It serves as the publishing business for its parent company, Activision Blizzard, and consists of several subsidiary studios. Activision is one of the largest third-party video game publishers in the world and was the top United States publisher in 2024.[5]

The company was founded as Activision, Inc. on October 1, 1979 in Sunnyvale, California, by former Atari game developers upset at their treatment by Atari in order to develop their own games for the popular Atari 2600 home video game console. Activision was the first independent, third-party, console video game developer. The video game crash of 1983, in part created by too many new companies trying to follow in Activision's footsteps without the experience of Activision's founders, hurt Activision's position in console games and forced the company to diversify into games for home computers, including the acquisition of Infocom. After a management shift, with CEO Jim Levy replaced by Bruce Davis, the company renamed itself to Mediagenic and branched out into business software applications. Mediagenic quickly fell into debt, and the company was bought for around US\$500,000 by Bobby Kotick and a small group of investors around 1991.

Kotick drastically revamped and restructured the company to get it out of debt: dismissing most of its staff, moving the company to Los Angeles, and reverting to the Activision name. Building on existing assets, the Kotick-led Activision pursued more publishing opportunities and, after recovering from its former financial troubles, started acquiring numerous studios and various types of intellectual property over the 1990s and 2000s, among these being the Call of Duty and Guitar Hero series. A holding company was formed as Activision's parent company to manage both its internal and acquired studios. In 2008, this holding company merged with Vivendi Games (the parent company of Blizzard Entertainment) and formed Activision Blizzard, with Kotick as its CEO. Within this structure, Activision manages numerous third-party studios and publishes all games besides those created by Blizzard. In October 2024, Microsoft acquired parent company Activision Blizzard, maintaining that the company will continue to operate as a separate business. While part of the larger Microsoft Gaming division, Activision retains its function as the publisher of games developed by their studios.

O ano do vintage de 1999 voltou à conversa crítica recentemente para o seu quarto centenário; foi no Ano da Sexta Razão, Matrix Clube das Lutas e Beleza Americana – E dificilmente poderia ter havido um filme mais brilhante que Takashi Miike inspirou a Demonicamente uma parábola violenta sobre política sexual ou mal-estar nacional.

Talvez Miike nunca tenha igualado a exibição horrível de crueldade e medo, ou talvez seja mais verdadeiro dizer que ele não trouxe essas coisas novamente para um foco dramático tão agudo. Mas certamente manteve uma produtividade extraordinária bac bo bet7k seu último filme - revelado no festival do ano passado na Tóquio cinema Festival tem tipicamente loucura gonzo nesse estilo característico da série MIIKE: jogar tudo dentro dessa mistura!

Lumberjack o monstro é um caso de monstro v monstros. Há uma serial killer andando por aí atacando pessoas com machado e removendo seus cérebro, bac bo bet7k MiLuike filme que já espera encontrar a bac bo bet7k própria criança assassinou Akira "Akashi" história brilhante forense perfil chamado Toshiro (Nana Araújo) está na trilha do lumberjack 'S Mas este matadouro descobre vítimas ele ataca são tão desumano quanto eles estão; Este foi considerado como advogado!

O filme como um todo é inteiramente louco e operaticamente exagerado. Apesar do aspecto "whodunnit" da eventual desmascaramento dos Lumberjack, não há muito aqui o tipo que outro drama pode se sentir constrangido a incluir para permitir ao público investir emocionalmente bac bo bet7k algo mais íntimo perturbados por isso mesmo: assim com tantos filmes Miike este seria uma exibição fogo-de-fogo – estranhamento alienação ou niilismo!
