Types of slot machines

Slots are the most popular

genre of both real-money and free casino games, rising above other favorites like free roulette or free blackjack, but they are also a very diverse category. In the early days of one-armed bandits, most slot machines were quite similar, with a small number of reels, a fixed set of winlines, and a pretty straight-forward gameplay.

Nowadays,

online slot machines have evolved into games with modern graphics, captivating sounds and music, and special features that go above and beyond to capture the attention of players and build an enjoyable gameplay.

Here are the most widespread types of slot machines:

Classic slot machines and one-armed bandits – Imagine slots from an old-school brick-and-mortar casino. Classic layout, basic symbols like fruits, bars, coins, or bells, and simple gameplay. If you like the games with a traditional feel and not too many bells and whistles, these will be good for you.

Fruit machines – Like

their name suggest, fruit slot machines need to meet the requirement of having fruit symbols on their reels. Cherries, grapes, oranges, apples, pears, plums, the list goes on. Many fruit slots are quite traditional and can also fall to the category above, but newer ones can be quite modern and with additional features.

Video slots and 3D slots –

Newer slots often feature 3D graphics and video sequences to captivate players and make gameplay more enjoyable. If you prefer a modern feel, you will likely enjoy this category of free slots.

– Newer slots often feature 3D graphics and video sequences to captivate players and make gameplay more enjoyable. If you prefer a modern feel, you will likely enjoy this category of free slots. **Progressive jackpot slots** – Unlike the previous three types of slots, this category does not have anything to do with what the game looks and feels like. Progressive slots feature jackpots that grow over time as players place bets, which can result in record-breaking wins once a lucky player hits them.
