Roulette, a game of chance, has been a casino staple for centuries, with its origins dating back to 17th-century France. There are three primary versions of Roulette: European (also known as French Roulette), American Roulette, and French Roulette. Each variant has its unique features and odds.

European Roulette, the most popular version, has 37 numbered pockets on the wheel, including the green pocket numbered 0. This version offers the best odds for players, with a house edge of 2.70%.

American Roulette, introduced in the 19th century, has 38 numbered pockets, including the green pocket numbered 0 and an additional green pocket numbered 00. This version has a higher house edge of 5.26%.

French Roulette is similar to European Roulette but features a slightly different layout and betting options. It also has a house edge of 2.70%.
