contente:

A bet placed with a Bonus Bet will pay out the winnings minus the Bonus Bet stake. For example, if you placed a \$20 Bonus Bet at odds of \$10 your winnings would be \$180. This is calculated by multiplying the stake by the odds ($\$20 \times \$10 = \$200$) and then subtracting the stake of the bet ($\$200 - \$20 = \$180$).

Bonus Bets must be used in whole as they cannot be split into multiple wagers. When you win a bet for which you have used a Bonus Bet, only the prize amount of that bet will be returned to your wallet. Any Bonus Bet values used are not included in settlement returns.
