How to play Five Nights at Freddy's?

The critically acclaimed indie game franchise Five

Nights at Freddy's has arrived in full force in Miniplay - haven't you tried it yet?

Five Nights at Freddy's or also known as FNAF is a game of Horror in which you control Mike Schmidt, a newly hired security guard for the night shift at a fast food restaurant. A boring job, isn't it? Only every night, the animatronic dolls come to life and roam the restaurant's halls, turned into deranged killers, eager to avenge their pitiful existence.

What is your mission at FNAF?

As a security guard you must

survive the night and make sure that the dolls don't escape from the restaurant and spread chaos and terror wherever they go. To do this you will have a number of tools at your disposal.

Dig in to your sentry box and check the security cameras, so you can see which dolls have woken up and where they are in the restaurant. Turning on the lights can scare them off and some of them can only be stopped by closing the doors. But be careful, you have limited energy for each night and you can't keep all your defenses on all the time or it will wear out and you'll be exposed to any doll with bloody intentions.

Many security guards have already fallen at your post, will you be up to it?

The Five Nights at Freddy's Saga

This cult game was created by Scott Cawthon in

2014 as a response to the criticism received by his previous game, where the main character (a beaver) was compared to the terrifying animatronic dolls typical of many fast food restaurants. That same year it was launched through the Steam platform, where it achieved the fame it has today, marking the beginning of one of the most popular indie game sagas of recent years.

Find out part of The Saga of FNAF that we have in

Miniplay in the following links:

The real protagonists of the saga are the terrifying animatronic dolls: Freddy, Bonnie, Chica and Foxy, whose appearance and personality have transcended the world of video games to become cultural icons.

In later sequels

they added other characters and variations of the 4 (5, if we count Golden Freddy) initial protagonists. Apart from the original, the entire saga is made up of: Five Nights at Freddy's 2 (2014), Five Nights at Freddy's 3 (2024), Five Nights at Freddy's 4 (2024), Five Nights at Freddy's 5: Sister Location (2024) and Freddy Fazbear's Pizzeria Simulator (2024). They introduced new mechanics that transformed the game, such as: an animatronic doll mask to deceive enemies, flashlights, handling of the air ducts or the sabotage of certain systems of the restaurant.

Night is coming and your

shift begins. Will you be able to survive until dawn?
