What Are the Available Betting Markets & Options?

Igubet has some of the best betting markets and is especially focused on popular sports like football and tennis. The main betting market is the 1X2 option, where players can back the home team or away team. You can also predict that the game will end in a draw.

Another popular market featured on the site is the total goals market, which allows punters to predict whether the total number of goals scored will be above or below a specific threshold. It is also possible to make predictions on the winners of specific halves of the game. Here are other essential betting options you will find at Igubet:

Total goals (even/odd)
Asian handicaps
Double chance
Draw no bet
Team total goals (over/under)
Both teams to score
Live Betting on Sports at Igubet

As we've seen in this Igubet review, players can access the live betting category of this website using the link at the top of the page. This one has an average selection of sports and matches in the live betting section compared to other popular sportsbooks. Some of the sports that are commonly featured in the live betting section are:

Football
Tennis
Table tennis
Cricket
e-Sports
Basketball
Volleyball
Bowls

In the live betting section of Igubet, punters will be able to explore a variety of exciting betting markets. For example, you will be able to predict the team that will score the next goal. It is also possible to bet that no more goals will be scored in the game. There are also handicap wagers in the live betting section, and these give some points to the underdog at the start of the match.

Are the Odds at Igubet Competitive?

The odds at Igubet are highly competitive and compare favourably with those of industry leaders. By default, these odds are presented in decimal or European format. If you aren't comfortable with this format, you can switch to British, Hong Kong, American, Indonesian, or Malaysian formats.

What Are the Available Betting Features?

When punting at Igubet, you will be able to use the following features.

Live stream feature

Igubet live betting has a live streaming service that allows players to watch some events in real-time. If the game doesn't have a live stream, you should watch the animated videos of the games. This way, you will be able to gauge the relative strengths of the teams.

You should note that punters must have a positive account balance or must have placed a bet to access the live streams of the matches. However, live animations are available to all punters, and

including those who haven't created an account on the site.

Cash-out option

On this platform, players can end their bets at any time. This can help you minimize your losses when the game is going poorly and can also help to lock in profits when the odds seem to be at their peak. You should note that the cash-out option isn't available for all events, so you shouldn't always place bets with the expectation that you will eventually use the cash-out feature.

Bet Builder function

One of the key issues with this betting site is that it doesn't have a bet builder function. This feature has become quite popular among punters in recent years, so it is highly likely that the bookie will add it later.

Statistics

eSports Betting at Igubet

With you can place more informed wagers. The site indicates the number of red cards and yellow cards individual teams have received, and it also shows the results of previous meetings of the teams. You can use the win probabilities offered to determine the teams you will bet on. The site uses statistics from, a site known for providing detailed and reliable statistics.

Igubet sports betting also features betting options covering e-sports. You can access these using the link at the top of the site, next to the in-play betting link. The top e-sports you can bet on include:

Rainbow Six

The best thing about esports betting at Igubet is that you can stream most of the games live.

Igubet Mobile Site Review

Igubet doesn't have any mobile applications, so Android and iOS users will all need to use the mobile site of the bookie. Fortunately, the operator has taken the time to create a fully functional mobile betting site that fits perfectly on small screens. It is also designed perfectly for touch screens.

Overall, the mobile site works just as well as any application, and it doesn't require you to use up space on your smartphone or tablet. Remember to always log in to your account using a high-quality mobile browser.
