It's been an incredible year of sporting action. We saw Manchester City recreate their rivals' heroics in spectacular style with a treble of their own, there was an Ashes summer that captured the nation's imagination, a World Cup final for the Lionesses (missing out by the barest of margins), a European victory in the Ryder Cup, and finally, a Rugby World Cup win for South Africa. All of that and so much more crammed into 365 days!

A new year of action is nearly here. When it comes to sports betting, NetBet has you covered across all the major events from around the world. Premier League Intensifies

Whether you're a fan of a side at the top of the pyramid, the bottom, or somewhere in between, English football has a following, fandom, and raw heart like nowhere else in the world. But the Premier League is the crème de la crème. From the Saturday early kick-off to Sunday evening, there are goals, star quality, controversy, and pretty much everything else you could hope for.

It has

already been a chaotic start to the season. For a while, it looked like Manchester City might start to run away with it. However, it hasn't been plain sailing for the Sky Blues. We've already seen Pep Guardiola's side drop points against the likes of Wolves, Arsenal, and Chelsea, with the Gunners and Liverpool capitalising and moving within touching distance of the champions.

It's shaping up to be a title race for the ages.

Liverpool, Arsenal, Tottenham, and even Newcastle are all hoping to hunt down City. At the opposite end of the table, the battle for survival is also heating up, as teams fight for their Premier League lives. The matches will only continue to get bigger and more important, and as we arrive into the festive period and beyond, there will be consequences for those struggling to pick up results.

If you are looking to get the most out of every Premier League weekend, NetBet has a free-to-play Score Predictor. You could win a jackpot up to £500 if you can correctly predict the score of their four selected matches! There are also £5 and £20 Free Bets up for grabs for those players who manage to accurately predict two or three scores respectively.

Who's Ready to Make the Step Up?

Many would argue the English second tier is the most entertaining and toughest league in the world. Getting out of the Championship is debatably harder than staying in the Premier League. With 46 games to get through, it's a marathon, not a sprint.

Can anybody stop the high-flying Leicester and Championship newcomers Ipswich? The two table-toppers have flown out of the gates and are currently clear of the chasing pack. The Leicester squad is one of the best the Championship has ever seen. With Jamie Vardy still full of energy and leading the line, along with a host of other top-quality players, they are surely destined for a return to the Premier League.

There's also the intense battle for play-off spots, with teams as far down as thirteenth daring to look up the table and dream. Proceedings will also get nervy at the bottom. Wayne Rooney's Birmingham have struggled since the Manchester United and England legend took the reins, and there is every chance they are caught amidst a relegation race alongside several other unlucky clubs. Who will survive to fight another day in the Championship?

You can take your football betting experience to the next level with NetBet's new and improved Bet Builder feature. Enjoy complete control and exercise the freedom to customise your bet slips with selections that suit your style. Whether you're betting on the correct score, goal scorers, cards, corners, or anything else, NetBet's Bet Builder has you covered.
