Mutilate a Doll 2 is here to prove just how much people loved playing the first such game we've had 1 on our website, and it is also a testament to the genre in general, as we're talking about ragdoll games 1 where you get to destroy them in any way possible, from hitting them to shooting them, and once more you're 1 invited to do it on a lifeless mannequin, a virtual one no less!

Do you have the guts to Mutilate a 1 Doll? It does not have guts, so mutilate away!

Start off by simply using the mouse to drag the doll

around 1 the screen, hitting it into its exteriors, and every time you do it, try doing it harder so that you 1 can make all of its limbs get cut off, but other body parts too, such as the torso or head, 1 since the more you wreck it up, the more points you earn.

These points are meant for reinvesting back into the 1 game, as you should develop a big weapons arsenal, with knives, guns, bombs, and anything else you can imagine, using 1 them to mutilate the doll with more effectiveness, but also deal more damage with all of your hits.

Don't worry, this 1 is a virtual dummy with no feeling whatsoever, and you can only hurt its body, not its soul, since it 1 does not have one! Begin doing that and having fun right now, after which you're invited to play even more 1 similar games to this one here!

How to play? Use the mouse.
