The sleepy town of Frostfield was missing something until Papa Louie came into town. You may remember Papa Louie from his iconic series of free Papa Louie games to play online that all follow similar gameplay with different themes. Papas Cupcakeria in Frostfield is no different. With a holiday season always around the corner, who will run Papas Cupcakeria while Papa Louie runs off on another adventure?

Papa Cupcakeria - Online:

Gameplay

Like other Papa Louie games, you start with three save slots where you can start your adventure. From there, you follow the store of the town of Frostfield and its citizens, who are hungry for Papa Louie's cupcakes. Unfortunately, Papa Louie isn't there to create the cupcakes himself, so it's up to the player to make sure the residents of Frostfield get the cupcakes they so rightfully deserve.

Papas Cupcakeria

differs from other Papa Louie games where you receive a paycheck every week. With this paycheck, you can upgrade the shop with quality-of-life items and decorations that improve wait time in the shop.

With the four stations, you will bring holiday cheer to the people of Frostfield.

The Order Station is the same as it would be in other stations. When you first start Papas Cupcakeria, you'll notice the waiting area is a bit desolate. Not to worry, you'll have the opportunity to upgrade this area later to improve the waiting time while you optimize the other stations.

The Batter Station is

where the base of the cupcake comes together. You'll see the batter, and the other ingredients and toppings, on the order slip when the customer places the order. Drag

the order slip down and start with the batter. Don't overfill the batter here.

The

Bake Station is where the batter comes together. You have to watch the timer when they're in the oven. You'll have multiple ovens, and you'll need to keep track of them. Fortunately, you can upgrade these ovens later, so it's important to score high early in the game before you become overwhelmed.

The Build Station is where it all comes together. In the build station, you put the toppings, frostings, and other decorative items that the customer orders. When you start the game, you won't have a lot of toppings to use, so you can get the hang of getting the frosting right to maximize your points.

Papas Cupcakeria Tips

Now that you have the first day of Papas Cupcakeria done, you should read the following tips to have a strong early game:

The early game is important because the pace of the game is still slow enough that you can upgrade some key quality-of-life items and decorations. If you wait too long to upgrade, then you could get completely overwhelmed.

Start with upgrading your waiting time in the order station. After that, you can select a quality-of-life item, such as a timer. Try alternating each item so you keep a balanced station score to maximize your profits at the end of the day.

Papas Cupcakeria can get overwhelming at first but following these tips can help you optimize your gameplay and impress Papa Louie.
