Our top three bet365 existing customer offers

bet365 has some great existing customer offers and is continuously making improvements as it looks to up its selection of offerings throughout the calendar year.

At the Bookmakers' Awards it came 14th for existing customer offers so improvement is needed. However, it still had some gems up its sleeve and here we talk you through them.

### Tennis Retirement Guarantee

This is a simple yet very good offer for existing customers and it comes in the form of tennis with bet365 paying out as a winner if your selection's opponent retires hurt.

A lot of other bookmakers within the industry don't do this and that can mean if someone retires when losing by two sets you still won't be paid as a winner if you've bet on their opponent, making this guarantee a great advantage to have.

### Soccer Accumulator Bonus

This is a nice offer that can earn existing customers up to a huge 70 per cent bonus if your accumulator comes in, and this promotion extends to more than 80 competitions, including the Premier League, Serie A, Primera Liga, Bundesliga 1 and French Ligue 1 as well as more minor competitions, such as domestically League One and League Two. Far further afield there is the Copa Libertadores tournament in South America, which can prove popular for many interested in both Brazilian and Argentinian football.

### Soccer Substitute Guarantee

This is another good offer from bet365 for existing customer offers and allows you to have your stake refunded as bet credits if the player you have bet on is substituted before half-time.

This is on selected markets so it's worth taking a look at the key terms and conditions.

### Other bet365 promotions

#### 2 Goals Ahead Early Pay-Out

To benefit from the offer, place a pre-match bet on the eligible game's standard full-time result market.

For a single bet, if your chosen team takes a two-goal lead at any point during the match, bet365 will pay out your bet in full irrespective of the final outcome, even if the opposition mounts a comeback and the game ends in a draw or win.

For multiple bets, the selection in My Bets will be marked as won once a team you backed gains a two-goal advantage, whereas the remaining picks will continue running.

The promotion is only applicable to pre-match single and multiple bets on the standard full-time result market for qualifying competitions, with full-time result-enhanced prices market bets not being qualified for this offer.

For example, if you had put Liverpool to beat Southampton in your accumulator for the final day of the 2024-23 Premier League season, it would have been backed as a winner after just 14 minutes when Roberto Firmino put the Reds 2-0 up in his final appearance for the club.

There were six more goals in the game, and it ended 4-4 after the Saints had gone into a 4-2 lead in the 64th minute. You would have been able to watch the rest of the action without worrying about your accumulator, thanks to the 2 Goals Ahead Early Pay-Out offer.

This offer won't be applicable where a stake has been fully cashed out. Where a stake has been

partially cashed out and your team goes two goals ahead, the bet will then be settled on what is the remaining active stake.

If a qualifying bet is edited using the Edit Bet feature before kick-off and your team goes two goals ahead, the bet will be settled on the new stake. Where a bet has been edited to include or amend a selection for an event that is in play, the offer will no longer apply.

Only available to new and eligible customers. Bet restrictions, time limits and T&Cs apply.
