Online

Poker for Real Money in the US

To continue on legislation, let's have a look at the real money poker sites for US players — by far the most complex and controversial issue in poker.

Real money poker online is legal only in the states of:

New

Jersey

Delaware

Pennsylvania

Nevada

Michigan

More US states will legalize online poker

for real money soon. So you should be able to play real money poker in California and in Florida, too.

This list of the best US poker sites is the one to use to know what sites are available in each state.

While some have already a good number of real money poker games going, some others are getting ready to launch the first legal cash poker games since the UIGEA shut down the industry in 2011.

For more information about the

states where you can play poker for real money in the US and the different legislative processes in place, you can visit our US poker map.

Why Play Real

Money Poker Games?

Whether you started your poker adventure on one of the best Facebook games or you have been grinding your way up on free online poker sites, get ready for a significant change.

Real money poker is the natural evolution of those games, and it's one that is both exciting and highly rewarding.

The games are a lot better than on the

free sites. Real money poker players think more, play less random hands, and take poker strategy tips more seriously.

The paradox of all this is that real money poker games

are easier because you find a lot less random beginners who go all-in every time they

have a good poker hand...or they feel bored.

The moment every player has some money on

the line, the action changes and everything becomes better. More serious, even.

While a

lot of players say that play-money poker is excellent to understand the basics and learn how to play poker, I disagree.

You will learn poker a lot better (and faster)

when you play games for real money, even at the lowest stakes.

Once you register on one

of these real money poker sites and sit at the table to play your first games, you'll see that the bets become a lot more reasonable and you don't have so many loose cannons throwing poker chips around.

In online poker for real money, even at the micro-stakes

(1¢/2¢), the action is a lot better and you have a real chance to win cash if you play poker the right way.

The rest of this page is a guide for you to understand if you are

ready to jump in the world of real money poker and you should aim at your first cash wins.

Together, we analyze delicate issues as how much money you need to play poker online and the main difference between real money poker games and free ones.

How Much

Money Do I Need to Play Online Poker?

You don't need to invest a fortune to experience

all the best that cash poker has to offer. You don't need more than R\$10 /R\$20 even to give a shot at all the largest tournaments out there — and that's great.

If you want to

play one of the biggest Sunday Majors, don't look at the buy-ins. That's not the money you should pay to get in. Ever.

All these real money poker tournaments offer satellites

and qualifiers — and those are the ones you need to consider.

The R\$300k GGMasters

As an

example, let's look at the GG Masters tournament that runs every Sunday at GGPoker.

This tournament boasts a real money cash global prize of R\$300,000 (guaranteed) and costs R\$150 to play.

But you don't need to pay that.

GGPoker runs an impressive number

of qualifiers. Join them, fight your way through the events, and will need only pennies to play for a share of R\$300,000.

Lando Norris Critica a Max Verstappen despues del incidente en el Gran Premio de Austria

Lando Norris expresó que perdería el respeto por su amigo Max Verstappen si el piloto de Red Bull no se disculpa por una colisión entre los dos durante una polémica carrera en el Gran Premio de Austria del domingo.

Los compañeros de McLaren, Norris y Verstappen, habían estado disputando el liderazgo en una tensa batalla en la parte delantera de la carrera antes de que los conductores se tocaran durante un incidente en la vuelta 64.

Los comisarios de carrera impusieron posteriormente una penalización de 10 segundos a Verstappen por causar la colisión, lo que provocó que Norris se retirara de la carrera con un pinchazo y daños en el coche.

"Depende de lo que diga. Si dice que no hizo nada malo, entonces pierdo mucho respeto por eso", dijo un "decepcionado" Norris a Sky Sports durante su entrevista posterior a la carrera.

"Si admite ser un poco estúpido y correr contra mí y ser un poco descuidado de cierta manera, entonces tendré una pequeña cantidad de respeto por eso."

Norris y Verstappen son amigos cercanos fuera de la pista, pero su relación ha sido probada este año, ya que ambos compiten por el campeonato de pilotos.

La tensión pareció hervir el domingo, con Norris sintiéndose como si se le hubiera negado una victoria vital en la lucha por su primer título mundial.

A pesar de recibir una penalización de tiempo y tener que detenerse para reparar algunos daños, Verstappen terminó quinto, lo que significa que su ventaja sobre Norris se extendió a 81 puntos en las clasificaciones del campeonato.

"Aún es una decisión difícil de tomar cuando estamos luchando por la victoria y estoy tratando de ser justo desde mi lado y él simplemente no lo era. Eso no es lo que estoy pensando ahora. No me importa eso ahora. Estoy simplemente desconsolado por el equipo", dijo Norris.

"Solo estaba tratando de conducir mi carrera. Obviamente, estaba mucho más lento al final. Arruinó su propia carrera tanto como arruinó la mía. No puedo hacer más. Hice lo mejor que pude y fue suficiente, pero fui arruinado a través de no culpa mía".

Cuando se le presentaron los comentarios de Norris, Verstappen dijo que necesitaría volver a ver la carrera.

"Todo el mundo puede tener su propia opinión. Desde el exterior, es fácil juzgar y comentar", dijo a Sky Sports.

"Necesito ver por qué o cómo nos tocamos. Por supuesto, hablaremos al respecto. Es solo lamentable que sucediera."

El jefe del equipo de Red Bull, Christian Horner, defendió a su piloto y le dijo a Sky Sports que era solo "una de esas cosas" mientras que el jefe del equipo de McLaren, Andrea Stella, dijo "la población mundial entera sabría quién es responsable".

Los dos conductores renovarían su rivalidad en el Gran Premio de Gran Bretaña el 7 de julio, donde Verstappen buscará apretar su agarre en lo que sería su cuarto título mundial.
