# **Faith Ringgold: Pioneira artista e autora norte-americana falece aos 93 anos**

( **brazino meme** ) - A artista e autora Faith Ringgold, conhecida por seus tapetes narrativos que entrelaçavam arte com ativismo, morreu aos 93 anos. O falecimento de Ringgold, brazino meme brazino meme casa brazino meme Nova Jersey no sábado, foi relatado primeiramente pelo New York Times.

"Faith deixa um legado impactante de ativismo e advocacia pela diversidade e inclusão que marcou profundamente o mundo da arte, inspirando incontáveis outras pessoas a usarem brazino meme voz como ferramenta de mudança social", disse Dorian Bergen, Presidente das ACA Galleries, que representavam Ringgold há quase três décadas, brazino meme um comunicado fornecido à brazino meme . "Sentiremos muito brazino meme falta e continuaremos nos comprometendo a continuar essa legacy compartilhando seu trabalho, filosofias e vida com o mundo."

Ringgold, nascida brazino meme 1930 brazino meme Harlem durante o Renascimento de Harlem, draws inspiration from the tumultuous social realities she lived through. As a student, her formal initiation in the arts was almost curtailed by the City College of New York's regulations of the time, which restricted women to specific majors - art not being one of them. However, Ringgold's determination led her to strike a deal with a school administrator: her art studies were contingent upon primarily enrolling in the school of education, where women were allowed.

After earning her bachelor's degree in fine art and education in 1955, Ringgold began teaching art in public schools while developing her own art. She later received a master's degree in art from City College in 1959. Her early work was influenced by civil and racial unrest, and had powerful political and social tones.

## **Série "The American People"**

Entre 1963 e 1967, Ringgold portrayed fraught race relations in America in a series of paintings titled "The American People Series." The series' final painting, "American People Series 20: Die," is a vivid critique of the violent riots of the Civil Rights era. The painting, arguably the series' most famous, gruesomely depicts a group of men, women and children brutally attacking one another. It is now part of the Museum of Modern Art's permanent collection.

"I became fascinated with the ability of art to document the time, place, and cultural identity of the artist," she told the Museum of Modern Art. "How could I, as an African American woman artist, document what was happening around me?"

Ringgold's early work did not enjoy much success at the time, driving the mother of two to take her activism to the streets for causes such as women's representation - especially of Black women - in mainstream art exhibitions and collections. In 1970, Ringgold was arrested and charged with desecrating the American flag for co-organizing the "People's Flag Show," an exhibition protesting against the Vietnam War, and for artists' First Amendment right to use the flag as material.

"They didn't keep me in for long because the media was watching," she told the New York Times of her sentencing.

## **Quilts de Ringgold**

Around the same time, Ringgold began incorporating new materials into her art. She experimented with sculpting in wood and clay, but the dust triggered her asthma eased her to shift
