to navigate and place bets through. The main colours of the site are grey and black, with pops of green and blue giving the design real depth. What's more, tabs are organised neatly at the top of the page, making the site uncluttered and simple to move around.

10bet Betting Markets

10bet covers the most sought-after betting markets you can think of. But the brand is about much more than just the surface, catering to the masses with its extensive list of sports betting markets.

These include Football, Tennis, Basketball, American Football, Aussie Rules, Badminton, Baseball, Boxing, Cricket, Cycling, Darts, eSports, Futsal, Gaelic Football, Golf, Handball, Horse Racing, Ice Hockey, MMA, Motor Racing, Netball, Rugby League, Rugby Union, Snooker, Pool, Speedway, Surfing, Table Tennis, Virtual Sports and Volleyball.

10bet is also keen to promote its ever-expanding eSports lobby, catering to the UK's growing community of online eSports bettors. So, whether it is American Baseball, UK Snooker or Vietnamese Volleyball you are into, there will be an option for you on the 10bet website.

While promotions and betting markets take the limelight on most sportsbooks, a website's design, features and functionality should never be overlooked. On the 10bet site, players can enjoy a sleek, modern-looking site that performs seamlessly on a vast selection of desktop and mobile devices. That's not to mention the betting tools and features such as in-play betting, the digital betting calendar and various other unique details.

Live Betting Markets

Like most modern betting sites, 10bet offers live betting options via its website. However, unlike many bookmakers, live betting markets include BOTH popular and niche sports.

The 10bet Welcome Bonus

With both inexperienced and professional bettors joining the 10bet platform on a regular basis, 10bet boasts a strong user base. The brand achieves this through the promotion of competitive free bet offers, the first of which is available on sign up. Where most betting sites will have a fixed welcome bonus that goes unchanged for months, even years, 10bet prefers to keep things fresh, altering its new player bonus regularly. Where one week it can be a £10 matched free bet, the next it can be a no deposit free bet or even a free bet package with multiple bonuses on offer.

Ongoing and One-off Promotions

It goes without saying that the welcome free bet is the superior promotion on the site. However, there are plenty of other juicy promotions for players to enhance their betting experiences with. From winnings boosts on acca bets and insurance deals to free bets on high-profile football games and races, the promo list is rich and made up of high-quality deals only. The site is also known for its '£10 free bet if both teams score' deal; a promotion that runs regularly on the site during the football season.

Bet Boosts are a stand-alone betting promotion on the site, a type of betting deal that 10bet has become known for. Turning odds on various games into more favourable ones, Bet Boosts can be the difference between an okay win and a life-changing one!

Pulse Bets are another unique offering from the 10bet brand which allows bettors to bet that a goal will be scored in the next 30 seconds, 1 minute, 5 minutes, or 10 minutes. The odds on offer are incredibly attractive when placing Plus Bets.

10bet Customer Support

There are three different ways players can get in touch with the 10bet customer support team. These are Email, Phone and Live Chat.

No dia 26 de setembro de 1932, o Argentino organizou uma reunião para definir as cores do futebol, o mesmo dia em que começou a organizar o primeiro campeonato oficial.

Dois dias antes do torneio, a associação da liga decidiu organizar-se em uma reunião pública no qual cinco atletas fizeram um campeonato ao lado de operários da recém-criada LCF: Armando Marques, Mario Balzan, Alfredo Balzan Júnior, Héctor Mendoza, Luis Muñoz e Héctor Castro. Naquele dia, o campeão uruguaio Juan Díaz Pino, campeão argentino da Copa América de 1934, foi considerado por muitos esportivos, pelo jornal espanhol "El Mundo" como um dos heróis do futebol mundial na primeira edição.

Para dar mais credibilidade a um dos grandes torneios oficiais da liga, que até então tinham vencido dez, sete e três vezes, o governo argentino aprovou a organização de um campeonato local do futebol profissional no mundo inteiro em 1937, tornando-se assim a 1ª edição oficial do torneio.

Por causa disto, este torneio foi chamado de campeão nacional.
