Website, Design & Navigation

Betway's simplistic three-tone site design is certainly a very user friendly online sportsbook.

Software performance is excellent as is the navigation and menu options.

That's not to say there's loads of additional extras. Explore the Betway online betting site and you will find a fantastic blog section of Betway covered sports, it is one of the best in the business with forthright editorials and podcasts. Regularly updated delivering analysis, news, opinions and betting strategy, even those that don't place bets are regular visitors. Betway are particularly proud of their bespoke eSports news site, a field in which they major.

Another unique feature of Betway is their excellent form and statistics area which is comprehensive and well designed. Using bar charts, pie charts and conventional percentages to give form some real meaning, it's a great tool for serious punters.

Apart from sports betting there is also the betway casino which hosts all the popular casino games.

Betway Odds & Markets

Betway offers competitive odds on over 15,000 sports markets in Football, Tennis, Ice Hockey, Basketball, Handball, Volleyball, Baseball, Formula 1, Snooker, Golf, American Football, Aussie Rules, Boxing, Cricket, Cycling, Motor Sport, Pesapallo, Pool, Rugby League, Rugby Union, UFC/Martial Arts and a number of Specials markets.

Betway's sportsbook has a separate section for its In-Play betting markets where upcoming in-play events are shown clearly, as well as fixtures that are currently in-play and their available betting markets.

While some sports do not have a particularly varied selection of bettings odds, and there is no Horse Racing or Greyhound markets, you will find some of the rarest Football markets at Betway. In addition to the Premier League and other top European competitions you can bet on the Latvian Virsliga and a number of South American leagues, such as the Paraguay and Uruguay Primera Divisions. Also, in general there is usually a large range of sports to choose from.

What We Are Missing at Betway

The primary shortcoming with Betway is their limited number of deposit and withdrawal methods. They feature just Visa, Mastercard and PayPal so 'banking' really is their Achilles heel and it is this site's biggest downfall. Being pedantic we could also point out low key football matches are subject to very few betting markets – win only in some situations – and amongst these in-running 'cash-out' options are non-existent.

Of course Betway do offer in-play betting and they do it well (particularly Esports) but the experience can be spoiled by the lack of live pictures, for the most part these seem limited to football, tennis and horse racing. Serious greyhound punters will also tell you Betway does not offer early prices on dog racing and often only give customers backing their fancies SP unless they place their bets just prior to the scheduled 'off time'.

Betway Live Streaming Sport

Residents of the UK, Ireland and Sweden can tune in to a host of sporting events via live streams from Betway. Football fans can catch games from some of the top European leagues, with tennis, basketball and more also available to view for free as long as your Betway account is in credit.

Click on the Live Streaming tab at Betway to look at which events are live now or look out for the Live Streaming icon when you are browsing the markets to place a bet. You can get right to the heart of the action at Betway by clicking on the 'watch and bet' icon which will take you to a screen displaying the latest In-Play odds alongside a live stream of the event.

Betway is the flagship of the Betway Group which was launched in 2006 with headquarters in Malta and offices in Cape Town, Guernsey, Stockholm and London. The group holds licences in Malta, Denmark, Spain and Italy and Betway is regulated by the Lotteries and Gaming Authority of Malta.

Betway Customer Service

Customer service agents can only be contacted between 8am and 1am via email but generally the response times are good and their policy is to respond within 20 minutes. So far they have managed to build up quite a good reputation.

The customer service team is available via the Live Chat function and e-mail, with each language having a separate e-mail they can use for customer support that completely removes language barriers.

The general, English speaking, e-mail to contact is support@betway.

In addition to the live chat, which is available 24/7, you can also make use of their extensive FAQ, which can be used to solve many standard issues.

A slight concern is the lack of a telephone service, but the extensive FAQ and other services more than make up for this.

Betway – Our Rating – 4.5 Star

Betway betting offers, particularly a free weekly £10 bet and free to enter leaderboards, go a long way towards our 4.5 star rating.

Up to £30 Free Bet play now New UK & Ireland customers only. Min Deposit: £10. First deposit matched up to £30. 1 x wagering at odds of 1.75+ to unlock Free Bet. Credit Card, Debit Card & PayPal deposits only. Terms Apply

Two million people, the number of customers Betway lay claim to, agree this is a top notch site with few if any bad points. Possibly the need to validate your account prior to making a withdrawal can be conceived as irksome but that is purely for player protection.

But that 'con' is sunk by countless 'pros'. A vast array of betting markets and bet options, excellent customer support, smooth banking, acca-insurance, best odds guaranteed and other concessions are some of the ingredients which make Betway the standing dish for so many punters.

Betway are based on the island of Malta but have the UK Gambling Commission's seal of approval and are members of I.B.A.S. (the Independent Betting Adjudication Service) the impartial adjudicator on disputes that arise between gambling operators and their customers. It gives Betway customers some real peace of mind.

Chapter 1

CHAPTER ONE CAT INVASION Once upon a time, there lived two best friend Koki and Poki. The two friends had always seen Texas as their home; very peaceful and quiet. The difference between the both of them is that Koki is stubborn and wiser while Poki is the quiet and peaceful type that always want to live a happy life. One sunny afternoon, the two friends went in search for food. They had two cents with them. The money they had won't be enough for them to eat. On their way Poki said "I never dreamt of seen this day, some butterflies can't just stop dancing in my

belly.” Koki smiled and said: “that’s the spirit speaking to you. Saying Poki doesn’t need food, what Poki need is a belly dancer.” Twisting his waist while shaking his head. Poki ignored him and asked how far the restaurant is? Koki replied “you see that sexy red painted hole at the end, that’s the answer to the butterfly in your belly.” They walked faster until they reached Suwait castle. Poki was surprise to see multitudes in there and said: “Koki this place sure does look like a market square, there are a whole lot of rats around.” They went and sat down in one of the chairs. Koki signaled the waitress to come take their order. As soon as Koki saw the menu list and their prices pasted at the wine bar, he brought out the two cents from his pocket and start rubbing it with his palms; he thought of a plan, he saw a lady entering the restroom with her purse on her back. Poki knew Koki was up to something he said “O! Lord save me Koki is at it again.” Koki rushed and follow up the lady. When Poki was waiting for Koki, the waitress came to take their order, Poki ordered for two plate of spaghetti with two bottles of grape wine. As Poki was busy looking round waiting for the food, rumors were spreading that the house at the next street has been rented and the family that took it has lots of cat. That’s not good news to them because of the danger involved. After some minutes Koki came out from the rest room dancing and waving the purse he stole from the lady in the air. Koki got to his seat and said now am hungry; Koki shouted with a loud voice “waitress.” The waitress appeared with two plate of spaghetti on a tray placed on her palm and dropped it on the table. Koki was busy steering at the waitress for some minutes. Koki then asked “is this meal for real because I’m not eating it.” The waitress stand looking at the both of them. Poki said he was the one that placed the order that the waitress is free to go. The both of them started eating. few minutes later, Poki told Koki about the wide rumors going around that the family that rented the apartment in the next street has lots of cats as their pets and that means trouble. Koki stopped eaten; He started rubbing his two palms together. He stopped and said: “how’s that my problem? If those lousy cats mess up, we beat the f**k out of them.” Koki climbed the table and continued talking. “Listen up guys I aren’t scared of the cats;” Common you all. Everyone is welcome to Texas pardon the peaceful one’s;” but I repeat if we work together, we can show the cats who owns Texas.” Everyone was quiet. They all ignored him because they know that they are no match for the cats. When Koki noticed no one was paying attention to him; he quietly slides down to his seat. Poki looked at him and shake his head saying “thank God is not the only one that knows Koki is an ass.” One week later, the new tenant brought their properties to the house including their pets. The majority of the rats hang around to see how true the rumor is. The cats were the last to come down from the van, when the cats were entering the house, one of them saw how the rats gathered round and smiled; while he changed his walking step. The cat turned and looked at his second saying “is gonna be hunting season hahahahaaaa.” The second cat replied “I can’t wait.” When Poki and Koki were busy playing at home, Koki heard the emergency bell rang for all rats to meet at the Suwait castle for an important meeting. Poki tried peeping through the window, he saw his fellow rats running halter scatter, some with their bags. He tried to signal one and asked what the problem is. The reply Poki got was that the cats have started tormenting them. Poki sat close to the window feeling sad saying: “after several years of peace and happiness, it now looks like is coming to an end.” Poki turned to the direction Koki was and could not find him. Poki called “Koki Koki where are you? Koki replied “I am outside, get down here and let’s join up with the rest at Suwait castle.” When the rats gathered there, they summoned one of the cats to come. The rats were busy discussing how to look for a way out. The cat entered their midst looking very angry like it wants to bounce on them one by one. The rats created space for the cat while they wait for him to speak. The cat looked round as he uses his tongue to lick round his lips. The cat said “Texas now has a new owner; you have till night fall.” One of the rats tried asking question. The cat pounced on him with his claw. Pinned down the rat’s neck and said “you were saying.” When the cat reached the exit door, he turned back looking at them saying “have a safe trip” and left. After the meeting the rats decided that they are going nowhere. Saying Texas is their home. The torment from the cats became unbearable. The rats all ran for their lives one by one. Poki and Koki had nowhere to run to, the two friends were inside thinking of the next step to take. Koki was busy moving from left to right and right to left with his left hand at his back and the right hand rubbing his chin. While Poki was busy looking at his old

stuff and things he will leave behind. Poki's mood was dull to the extent he almost shed tears. As Koki was busy moving with anger, he kicked a teddy bear towards where Poki was sitting. Koki saw an old picture of a place in Brooklyn that was lying under the teddy bear, he picked it up and cleaned it saying, ooh yeah baby that's what am talking about. He called Poki to check it out. Poki wasn't interested to know what Koki is trying to show him. Poki said Koki please quit joking around. Poki continued arranging his things saying: I never knew I would leave Texas one day. Poki stopped what he was doing and lie on his back facing the roof. Koki was at a distance looking at Poki, suddenly his mood changed. He threw the picture away and the wind blew it to where Poki's bag is. The two of them were silent for some minutes. Poki stood up and continue arranging his things. Poki found the picture. The smile on Poki's face came back to life. Poki said: Koki this city is beautiful please check this out let's go there can we. Koki smiled: that's why I called before, you know what if your happy about going to Brooklyn then let's go baby stretching out his left hand. Poki stopped talking and was looking at Koki and said: "who's your baby i***t?"

On Monday morning Jerry was too tired to get up from his bed. He struggled until he finally rolled and went down on his knee to pray. When he was through with his prayers, he stood up and went downstairs to the parlor. He looked round and saw no one. Jerry's mother was busy in the kitchen preparing breakfast. Jerry went to the kitchen to greet his mother. How was your night she asked? Cool mum Jerry replied. Jerry tried to assist the mother in the kitchen but she chased him out with a fry spoon. As soon as Jerry ran out of the kitchen and entered the parlor. The doorbell rang. Jerry rushed and opened the door to see who the person is. It was his friends in the neighborhood. One of them is holding a basketball with his left hand. They greeted each other, one of them asked about his mother. Mum is busy in the kitchen Jerry replied. His friends shouted good morning Mrs. Johnson. Without wasting time Jerry followed them to the basketball court. Jerry remembered he did not inform his mother where he was going, he came back opened the door and shouted mum am in the neighborhood playing basketball then he left. Mr. Johnson came out of his room, entered the parlor with a newspaper in his hand and sat on the couch. The wife came out of the kitchen with a tray on her hands serving the food on the dining. She came close to the couch Mr. Johnson is sitting. Wrap her hands round his neck from the back and gave him a peck on his cheek. Good morning dear breakfast is ready she said and went back to the dining. Mr. Johnson asked if Jerry is still sleeping. The wife said no dear he went out with his friends to play basketball in the neighborhood. Mr. Johnson stood up went around the couch reached the dining and sat down on one of the chairs. The breakfast was served. When they were eating, Mr. Johnson said honey I promised dad I'll come pay them a visit next week and since Jerry's school is still on, he won't be going with us. Don't forget you also promised to buy two pair of jackets for your dad she said. Mr. Johnson replied by putting on a serious face as he looks at her. It's true she said you did say so last week on your way back from work. "ok ok ok" he said you know what on my way back from work I will get it and on Thursday we'll go pay my parents visit. That's ok by me she said. Few minutes later Jerry opened the door and entered. His cloth was stained with mud dirt. Jerry danced joggling is shoulder and throws his hands like he was throwing a basketball. Jerry: Common Steph curry in the building dad I showed them the stuff am made of doing a little break dance. The parents were quiet looking at him. Mr. Johnson shacked his head and said you know what son. In basketball they have rules and it also applies to Steph curry. If curry go against them, he gets punished. The curry in my house right now looking like an old famer with mud stains all over his body his grounded now go to your room. Jerry's reaction changed: common dad the pitch was all messed up but I get it am grounded. Silent for some minutes. Jerry continued: you know what dad if am grounded from going out You are grounded too because its weekend. Jerry's mother smiled as she looked at her husband. Mr. Johnson got pissed off by the words that came out of Jerry's mouth. He stood up and chased Jerry until Jerry entered his room and locked the door. The next day Mr. Johnson and his family came back from church. He wanted to inform Jerry about their travel, due to how busy he was with the guest that visited them, he was not able to tell him. On Wednesday morning, the day before the travel date, Jerry was in his room getting ready for school. Jerry went downstairs to join his parents at the dining for breakfast. Jerry sat closer to his mother: good morning mum good morning dad. Jerry

hug the mother with his right hand. After Mr. Johnson had prayed for the meal, he called Jerry's name and said your mum and I will pay my parents a visit tomorrow and since your school is still in session. We were actually hoping you will join us but no that's why we decided that will spend just one day and come back the next day. You are also free to stay at your friends place till we are back. Jerry was not happy with what the father said you're kidding dad right looking at his mother but why now. We are sorry son I and your mother are supposed to inform you before now Mr. Johnson said. Jerry drops the spoon his holding stood up with his school bag hanged at his back and said good bye dad bye mum am off to school then he left feeling sad. Mr. Johnson looked at his wife as he shows his two palms to her; have tried he said. When Mr. Johnson has prepared to go out, he went outside and stood in front of his car waiting for his wife to come out, he shouted honey hurry up. She replied am almost through. Mr. Johnson looked at his wrist watch to check the time; God I hate make up. After some time, the wife came out entered the car and they drove off. On their way to the supermarket Mr. Johnson noticed a slight fault with the car. He decided to park by the road side to check it out. He parked and they both came out. When Mr. Johnson was checking the car, he discovered that the fault was from one of the tires. It was like a nail punctured the tire that made a hole in it. Mr. Johnson looked for a way to patch it hoping when he comes back, he will call his mechanics. They entered and he drove straight to the supermarket. When the rats had parked their things and went in search for a new place. They walked towards the bus park looking very sad. On their way Poki was looking round saying goodbye to everything he saw; Goodbye house goodbye trashcan goodbye people. Suwait castle I'll miss you all. When Koki heard the last word, he replied goodbye my a*s. Those lousy cats will meet their match someday. You know what Poki I think this is a start to a brand-new life common. New home, new friends, new food and new bitches. Trust me I'm not missing Texas anymore. oops did I say that Koki burst into tears saying may those cats rot in hell. They got to the park and was confused on how to start the journey. The rats looked left and right as cars were moving fast. After some time, Koki turned left and saw a Brooklyn thicket in a man's travelling bag. Koki signaled Poki that's our ticket he said. Koki saw a space in the bag and entered. Poki then followed. After some minutes the bus going to the train station arrived everyone entered including the rats. When the bus was in motion the rats came out went close to the window. They saw some of their friends dragging their bags moving in different direction. Poki waved goodbye to some of them as the bus pass bye. When Mr. Johnson and his wife were shopping, his wife remembered him not to forget buying things for Jerry: Honey lets pick two pairs of shorts for Jerry and some wrist watches too especially this one he will love it. Mr. Johnson replied that's no problem let's just hope that the money I brought will be enough for everything. Mrs. Johnson said: you could use my credit card if you want. Mr. Johnson replied that won't be necessary. Mr. Johnson and his wife bought all what they wanted. They took them to the cashier and he paid with his credit card. When Mr. Johnson and his wife were on their way back home, the tire Mr. Johnson used his hand to fix started *****g little by little without his knowledge. He continued driving until he reached the traffic light that showed all bus coming from south axis should stop indicating with a red light. Mr. Johnson was not happy for the delay by the traffic light because he planned to get back to his working place after he has dropped his wife and the thing he bought from the super market. It was at that same time that the bus the rat's entered was at the left side of the road waiting for the traffic light to turn green for the bus to move. as soon as the traffic light turn green, Mr. Johnson tried to drive faster to enable him to get home quick. as he moves few miters away from the traffic light his car tire burst and the car brake affected. he tried controlling the break but could not, he then directed the car to the left lane where the bus the rats entered are in. Due to Mr. Johnson was not able to find a safe spot, he collided with a moving truck which resulted to an explosion. The cars coming from behind had to stop for the problem to be fixed. When the emergency response team arrived, they took every one injured and dead to the hospital. It took two hours before the place was cleared up for the cars to start moving. During that period, the cars and buses stood still. The rats came out to witness the incident. Poki was full of pity for the families involved, he thought of a way he could help. The police were looking around for a means of identification of the people injured or dead in the scene. Poki saw a wallet

of one of them, he quickly rushed to where it was and picked it. Poki then snick into the police car and dropped the wallet inside. when Poki came back he said Koki don't you know how to pay respect to the dead and the injured. They are people's family. Koki: respect what you must be kidding, a crazy drunk a*s driver with no license entered our lane and caused this and you say respect that serve him right, I am going, are you coming or not? After Koki had entered the bus, he sat close to the window with anger written all over his face. Thinking of where they will stay when they get to Brooklyn. As Koki turned left, he saw the man sitting next to him laughing pointing his finger towards him. Koki taught it was him the man was laughing at. Koki climb up and stand at the back of the man's head saying "you don't wanna get Koki angry trust me." Koki brought out super glue and rubbed it on the man's head. After rubbing it he went back to the window where he was: "now is my turn to laugh hahaha f**k you mother fucker." Later Poki entered the bus and sat close to Koki. Few minutes later the road was clear and the rats continued their journey.

China emitirá más obligaciones del tesoro en Hong Kong en 2024

La China recaudará más fondos mediante la emisión de bonos del tesoro en Hong Kong, uno de los principales centros financieros del mundo, en 2024 en comparación con los años anteriores, ya que la ciudad se involucra más estrechamente en el desarrollo nacional.

Más bonos del tesoro en Hong Kong en 2024

El Ministerio de Finanzas anunció el miércoles que emitirá títulos del tesoro denominados en yuanes por un valor de 55.000 millones de yuanes (aproximadamente 7.730 millones de dólares estadounidenses) en la Región Administrativa Especial de Hong Kong (RAEHK) este año.

El segundo lote de títulos del tesoro, por un valor de 11.000 millones de yuanes, saldrá al mercado el 5 de junio, después de la primera parte de 12.000 millones de yuanes emitida en marzo.

Los fondos de los títulos del tesoro a ser recaudados este año serán significativamente mayores que los 30.000 millones de yuanes en 2024, 23.000 millones de yuanes en 2024 y 20.000 millones de yuanes en 2024.

El papel de Hong Kong en la conexión de los mercados doméstico e internacional

Hong Kong mantuvo el cuarto lugar a nivel mundial en un índice de centros financieros publicado en marzo por think tanks británicos y chinos, que evaluó 121 centros financieros de todo el mundo.

Hong Kong se ha esforzado por alinearse con las estrategias nacionales de desarrollo y desempeñar un papel importante en la conexión de los mercados nacionales e internacionales, dijo un portavoz del gobierno de la RAEHK a principios de este año.
