Hotline 2 Slot Review

The Hotline 2 slot machine is an exciting new five-reel, three-row game from NetEnt. It's a sequel to the popular Hotline slot which boasts 243 ways to win and is playable across all devices from just 0.30 coins per spin. Inspired by Miami Vice, the game centers around three different Hotlines. When a wild is landed on a Hotline, it will expand to transform into a completely wild reel. Free Spins bonuses also offer ways to expand the Hotlines, offering a total of 1,944 different ways to earn some serious cash! On each individual spin, it's possible to land up to 5,184 times your initial stake.

Miami, Money and Multiple Wins

NetEnt has pulled out all the stops to make its Hotline 2 online slot as immersive and enthralling as possible. It's rare for a developer to put so much effort into a theme, but here you'll find an action-packed experience involving a jewelry store heist in the center of Miami, the detectives investigating the crime and the femme fatale who instigated it.

Low-paying symbols are made up of various pieces of jewelry (think emerald rings, heart-shaped ruby pendants and amethyst necklaces) while the main characters of the game make up the high-value symbols (three detectives and master criminal Kitty Weiss). The scatter is represented by a neon pink flamingo – very cool, and very Miami Vice.

A Heist for High Rollers

The Hotline 2 slot machine is a medium volatility game which is perfect for casual gamers as well as those who want to put a little more into the game in the hope of big returns. Reels can be spun from just 0.30 coins, up to a maximum of 150.00 coins.

For those who want to get straight into the action, an autospin feature means spins can be cycled through until you land on a bonus feature, such as the Free Spins round. This means that it's easy to remain in control, even if you don't want to focus on the storyline and instead just want to chase those big money wins.

According to NetEnt, the RTP for the Hotline 2 online slot is set at 96.05%, which is slightly higher than its predecessor, and about average for five-reel slots. For those who want to familiarize themselves with the mechanics of the game, the good news is that it's possible to play Hotline 2

slot for free before deciding whether you want to play for real money.

Beautiful Beaches and Bountiful Bonuses

NetEnt's Hotline 2 online slot comes with some interesting bonus rounds. These are an absolute joy to play, as they trigger exciting, action-packed graphical interludes which update you on the story and set the scene for things to come.

First up is the Hotline feature, which becomes effective when wilds land on reel 3. It's possible to convert more reels into Hotlines by using the double bet and triple bet features, which further increase your winning potential.

Like most five-reel games, the Hotline 2 slot machine has a Free Spins feature, which can be triggered by landing three scatters during the base game. During this round, landing a wild on a Hotline will increase the height of the reel by one symbol, which helps create even further opportunities to win.
